REMARKS

The specification and abstract have been amended to include prior application data, to conform to US practice, and to introduce certain headings per United States practice. Claims 1-22 have been amended. New claims 23-26 have been added. The claims have been amended and the new claims added to eliminate multiple dependencies, to conform to US practice, and to include minor formatting changes.

These amendments add no new matter. In view of the above amendments and remarks, it is submitted that the application is in condition for allowance. Applicants assert that the present invention is new, non-obvious and useful. Prompt notice of allowance is respectfully requested.

No fees are believed to be due in connection with this paper. However, if any fees are due, please charge any such fees associated with this paper to deposit account No. 05-0649.

Respectfully submitted,
